Who we are

H2: Care Close to Home in Queens

Rego Park Counseling is an outpatient clinic that helps adults in Queens with mental health and substance use. We are licensed by the New York State Office of Addiction Services and Supports (OASAS) and the New York State Office of Mental Health (OMH), so one team can care for both.

Our clinics are in Rego Park and Fresh Meadows, close to the trains and buses our patients already use. A third clinic in Yonkers is opening soon.

What we believe

H2: Our Treatment Philosophy

Three short cards:

- **Addiction is a health condition.** We treat it as a chronic illness, not a moral failing. You will not be judged here.
- **Every plan is personal.** Your counselor builds your plan around your life, looking at your health, your family, your work and your community.
- **Recovery is a path, not a single step.** We stay with you from the first visit through ongoing support, in person or by telehealth.

What we offer

H2: Mental Health and Substance Use Care in One Place

One sentence per link, each linking to its page:

- **Mental health counseling** for anxiety, depression, trauma, bipolar disorder and more.
- **Outpatient substance use treatment** for alcohol and drug use, including dual diagnosis.
- **Substance abuse and DWI evaluations** for court, DMV or employer requirements.
- **CORE services** for HARP-eligible Medicaid members and the **Social Care Network**.
- **Telehealth** for people who cannot come in.

Who we serve

H2: Who We Serve

Adults and older adults from Rego Park, Forest Hills, Elmhurst, Fresh Meadows, Flushing and nearby neighborhoods [confirm list]. Most of our patients use Medicaid, and we work with most Medicaid plans. Call us and we will check yours.

Licensing and trust

H2: Licensed and Accountable

- Licensed by NYS OASAS (substance use) and NYS OMH (mental health) [add license or certificate numbers if Emmanuel wants them shown]
- Care from licensed clinicians and credentialed counselors → Meet Our Team
- Your privacy is protected under HIPAA and federal confidentiality rules for substance use records → HIPAA Notice

Brand separation block (small, but required)

H3: An Independent Clinic

Rego Park Counseling is an independent clinic. We are not affiliated with other counseling centers that use a similar name in Queens. Our clinics are at 63-36 99th Street, Rego Park, and [Parsons Boulevard address], Fresh Meadows.

Final call to action

H2: Ready to Talk?

One sentence + callback form + phone. "Taking the first step is the hardest part. We'll make the rest simple."
